HOSTEL, TRIVENI COMPLEX

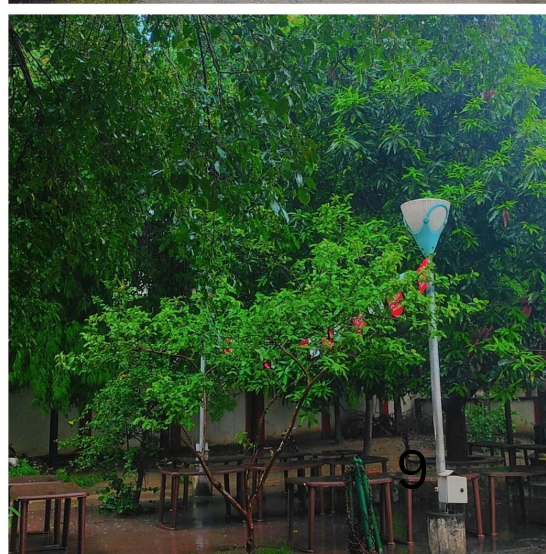

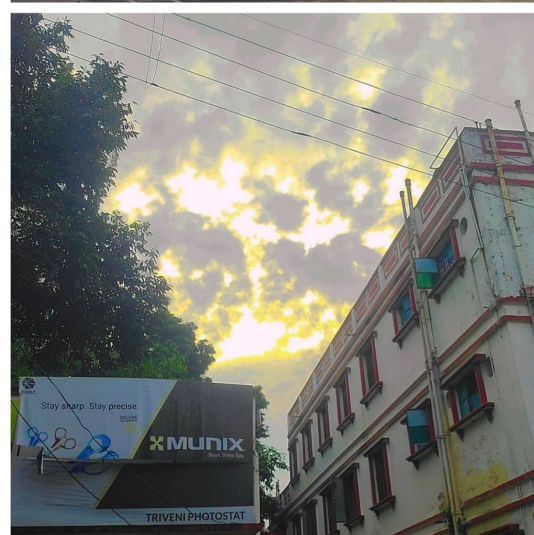

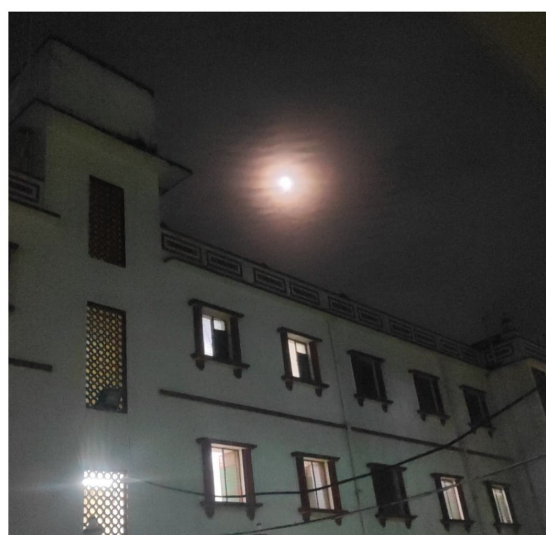

Yamuna Hostel, nestled in the heart of Treveni Complex, is more than just a place to stay; it's a sanctuary where students find solace after the chaos of college life. It's where the weight of assignments, lectures, and deadlines momentarily fades away, and a sense of peace takes over. The hostel becomes a second home, offering comfort, warmth, and a quiet space to reflect. In the simple joys of shared meals, late-night conversations, and moments of stillness, students forge bonds that last a lifetime. सुहाना सफ़र

उम्मीदों का कारवां कुछ इस तरह बढ़ चला हमसफ़र न मिला हम सफ़र में ही रह गए

उलझने समेत कर उलझते ही रह गए सफ़र में ही थे हम सफ़र में ही रह गए

अनजाने राहों में लोग मिले रोज़ कई जाने क्यों वो भी अजनबी ही रह गए सफ़र में ही थे हम सफ़र में ही रह गए

किताबों में था लिखा जो नई सी दासता पन्ने पलटते ही नए ख्वाबों में खो गए पिरोए थे मोती जो रेशम के धागों से गांठ बांध ते ही टूट के बिखर गए

सपने देखे रोज़ जो टूट ते ही रहे हैं सपने थे जो सुहाने वो सपने ही रह गए हमने जिनको अपना माना वो अपना बनते ही रह गए सुहाना सा सफ़र है ये जिसमें हम रह गए....।।

एक फौजी की पुकार

सुन लो मेरी पुकार, हे भारतवासी ! मैं भी एक भारतवासी था, पेशे से एक फौजी था, देश की सेवा का लक्ष्य था, अतः पुलवामा के हमले में शहिद हुआ था ।

मेरे देश में बढ़ता भ्रष्टाचार, पुंजीवादियों का अत्याचार, बेरोजगार बैठा कलाकार, आत्मा हत्या कर्ता हलधर, महँगाई से परेशान लोकाचार, सुनलो मेरी पुकार, मैं भी एक भारतवासी था, पेशे से एक फौजी था ।

सरकार का बदलता कर, रोज़गार की ना कोई खबर, कोरोना जैसी महामारी का कहर, प्रदूषण में डूबा शहर, आर. जी. कर रेप केस की लहर, सुन लो मेरी पुकार, मैं भी एक भारतवासी था, पेशे से एक फौजी था ।

ऐसे भारत से मुझे इंकार, क्या इसलिये था मुझे बलिदान का बुखार?

सुन लो मेरी पुकार, मैं भी एक भारतवासी था, पेशे से एक फौजी था ।

MY FIRST EXPERIENCE IN BHU

My dream of visiting and studying in this grand and reputed university finally came true. I was so much excited as I entered the campus. The BHU gate hits differently like 'A Feeling of Proud'. It was like a gate that separates two very different places. One, the overcrowded, polluted and traffic of Varanasi city. The other one is peaceful, clean and lush-green campus of BHU. Clean roads with trees on both sides. It was a treat for my eyes. Students from other states and international. It felt the true Beauty of Diversity at one place. It has excellent infrastructure with wifi coverage.

A day well spent. It was amazing to not only see but also feel BHU on the very first day. I was in fear before coming here. Lots of questions were running in my mind about hostel, mess food, classes. But it all went good.

First day when I entered the class, some students started asking my name and where I am from. I said my name is Kinsi and they were like 'Kinsi' what the meaning of Kinsi is and it's a unique name. But it's not the first time for me to hear this because it happens with me from childhood in school and everywhere all used to ask me this and its common for me and I feel impressive to have my unique name. Then I made some friends and had introduced to professors. It all went good.

CENTRAL LIBRARY:

When I went to central library (Sayaji Rao Gaekwad Library), I was speechless and then visit the book stack section which is very big. Being a student of Library and Information Science, it felt like heaven to me. I use to explore all section of library every time I visit. The most mesmerizing section in library was Manuscripts section where ancient manuscripts preserved there.

GANGA GHAT (ASSI):

The first Ghat of Kashi that I visited was Assi Ghat. It felt so beautiful because I never visited any ghat earlier so it was my first experience of visiting ghat. Looking at boats, Ganga River, travelers as well as locals felt heartwarming. My first experience of Ganga Aarti which was mesmerizing and its soulful classical music. I was awestruck at the combination of all these things at one place.

A WAY TO REPRESENT YOUR HEART

गंगा और काशी

मेरे शहर में यमुना बहती है,

जो मुझे गंगा को सौंप गई है ।

कि ध्यान रखना जन्मी मेरे आँचल,

और सयाना होने गंगा किनारे छोड़ चली हूँ ।

गंगा ने सोचा!

क्या पता घर बहुत याद आये?

चलो यमुना छात्रावास इसे दिया जाये ।

स्थापना दिवस जिसका फिर से,

मेरे बाबा कि जन्मतिथि से मिलता।

काशी लेखा जोखा जन्म मरण का

मन विचलित हो तो गंगा

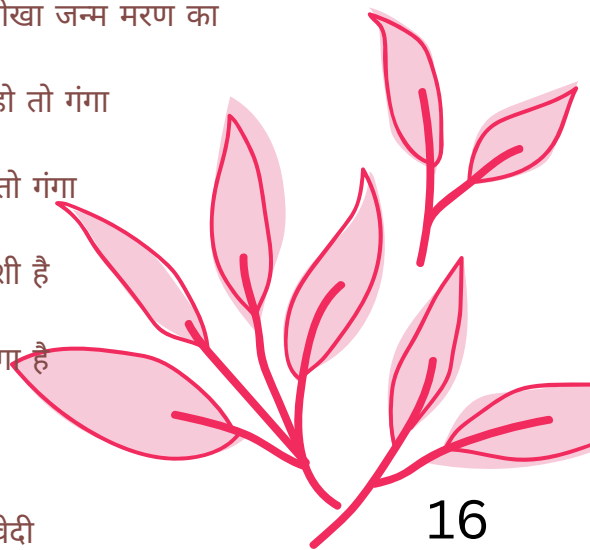

मन पावन हो तो गंगा

गंगा है तो काशी है

काशी है तो गंगा है

हर हर गेंगे...

Terracotta workshop

Terracotta art at Yamuna Hostel is a beautiful blend of tradition, creativity, and cultural expression. This form of art, deeply rooted in ancient craftsmanship, brings a unique charm to the hostel's environment. The students come together to create intricate terracotta pieces, ranging from sculptures to small decorative items, adding a touch of heritage and artistry to the surroundings.

It's not just about making art; it's about learning and embracing a centuries-old tradition. The process of shaping the clay and designing each piece requires patience, creativity, and attention to detail, providing an enriching experience for all involved. THE CULTURAL PROGRAM OF THE HOSTEL

for wellbeing of the students

Nurturing Mental Well-being Through Cultural Programs

The cultural programs of previous years have proven to be more than just entertaining events; they have played a crucial role in supporting the mental health and well-being of our students. In the fast-paced, often stressful environment of hostel life, these programs offer a much-needed outlet for self-expression, creativity, and emotional release.

Participating in or even simply enjoying these events has provided students with a sense of belonging and connection. Engaging in artistic performances, whether through dance, music, drama, or other forms of expression, has allowed students to channel their emotions in healthy and constructive ways. This, in turn, has contributed to improved mental health by reducing stress, fostering positive relationships, and enhancing overall happiness.

DIWALI CELEBRATION

Diwali at Yamuna Hostel is a spectacular celebration of light, warmth, and togetherness. The entire hostel comes alive with the brilliance of diyas (lamps) and colorful rangolis, creating a festive and vibrant atmosphere. The students, regardless of their backgrounds, join in the festivities, making the celebration truly inclusive and full of joy.

The day begins with the lighting of lamps, symbolizing the victory of light over darkness. The corridors and rooms are decorated with strings of fairy lights, adding a magical glow to the entire hostel. The air is filled with excitement as students share sweets, bursting crackers, and engaging in friendly exchanges of gifts, strengthening bonds of friendship.

KRISHAN JANMASHTA

राधा-कृष्ण सी हमारी दोस्ती
तू राधा, मैं कृष्ण, या फिर मैं राधा, तू कृष्ण,
इस बंधन में ना कोई तेरा, ना कोई मेरा प्रश्न।
मुस्कानों में रंग, बातों में रस,
जैसे राधा-कृष्ण की प्रीत का स्पर्श।

हर हंसी में संग, हर गम में पास,
बने हम एक-दूजे के सबसे खास।
वो रातों की बातें, वो संग हँसना,
जैसे बंसी की धुन पर मोहन का बसना।

वक्त बदलेगा, राहें भी नई होंगी,
पर ये यादें सदा संग चलेंगी।
ऐसे बनी हमारी दोस्ती खास,
जो रहेगी अंतिम साँस।

THE MESS OF THE HOSTEL

The food at Yamuna Hostel is typically simple yet satisfying, designed to cater to the needs of students and residents. Most meals consist of wholesome vegetarian options, such as rice, dal, chapati, and seasonal vegetables. These dishes are prepared to be nutritious and filling, providing energy for the day ahead. Additionally, the hostel occasionally offers light snacks like samosas or pakoras, especially during evenings. The food is generally affordable and served in a casual setting, fostering a sense of community among the residents. While the variety might not be extravagant, it ensures that the meals are hearty and comforting.

MALVIYA JI BUST INAUGURATION IN YAMUNA HOSTEL

A farewell for the students in Yamuna Hostel would be a heartfelt and emotional occasion. It's a time to celebrate the memories, friendships, and experiences that were shared during their stay. As students bid goodbye, it's an opportunity to reflect on the bonds they've formed, the challenges they've overcome, and the personal growth they've achieved. The farewell would be filled with gratitude, laughter, and perhaps a few tears as they part ways, but it also marks the beginning of new journeys. It's a beautiful chapter closing, and one filled with best wishes for the future.

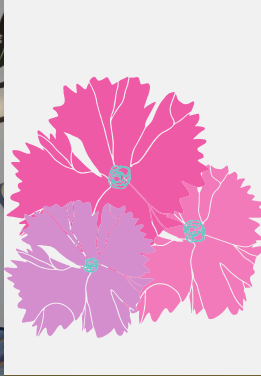

THE DIFFERENT PROGRAMS OF THE YAMUNA. HOSTEL

BHU is not just a university; it's a feeling, a world filled with memories I will carry forever. The birds flying above remind me of the dreams I built here, free and full of hope. Mahamana's statue stands tall watching over us like a guiding light, whispering lessons of wisdom and strength. Bhu gate once the doorway to new beginnings now feels like the edge of nostalgia a place I stepped into with excitement and will leave with a heavy heart.

The beauty of BHU is more than what meets the eye—it's in the golden sunsets, the quiet roads lined with trees, the distant temple bells and the laughter shared with friends. I have lived some of my happiest days here found comfort in its silence and grown in ways I never imagined.

Soon, these moments will turn into memories, and I will long for just one more walk through these familiar paths. But no matter where I go, BHU will always be home a place I will return to in my heart, again and again.

Room decoration

The room decoration competition in Yamuna Hostel sounds like a fantastic initiative! It encourages creativity, self-expression, and community bonding among the residents. It's a great way for students to personalize their living spaces and showcase their unique styles. Such events also bring a sense of pride and ownership to the hostel environment, making it more vibrant and lively. Plus, the competitive element adds a fun twist, motivating everyone to put their best foot forward. Kudos to Yamuna Hostel for organizing such an engaging and positive activity!
